

Wisconsin Association of Meat Processors'
2019 Fall Tour / Outing

This year's Fall Tour will be more like a Summer Tour. It will take place on Friday, August 23rd and all member processors and member suppliers are invited. We will start the day with a tour of Miller Brewery and then head over to Miller Park to tailgate and watch the Milwaukee Brewers take on the Arizona Diamondbacks. We will meet at the Courtyard by Marriott in Brookfield. There we will board a Lamers coach bus that will take us to and from our destinations and then bring us back to the hotel at the end of the day. Space is limited to 56 people, so register early.

**Miller Brewery Tour &
Milwaukee Brewer Game**
